

Sponsored by the Delaware Association of
Conservation Districts

“Challenging Environmental Education”

2012 Delaware Envirothon

The Envirothon is Delaware’s only high school environmental program and competition. Combining in-class curriculum and hands-on training, the Delaware Envirothon is guaranteed to enhance your students’ and your practical knowledge and application of environmental science. Some program highlights include:

- ◆ Correlated to State Standards
- ◆ College Scholarships and Cash Awards
- ◆ Career Exposure
- ◆ Current Environmental Issues
- ◆ Collaborative Learning Experience
- ◆ Problem Solving
- ◆ Public Speaking Skills
- ◆ Teacher Credit Hours through the Delaware Teacher Center

Areas of study

- Aquatic Ecology
- Forestry
- Soils / Land Use
- Wildlife
- Special Topic is Low-Impact Development
- Oral Presentation
- Air Quality
